The Friendly paper honeycomb

ADVERTISING and FURNITURE

ADVERTISING and FURNITURE

in honeycomb cardboard

Due to the continuous evolution of **digital printing** equipment, our **NIDOPAN®** panel has been applied in several fields. By using **kraft** and **white** high-grammage paper covers, it has been possible to manufacture a product with a flat surface that is ideal for printing on: **ADVERTISING PANELS, DISPLAYS, TOPS FOR SHOP DECORATIONS.**

Shelves for shops

Printing for wine boxes

Shelving

"Honeycomb" fish printed on NIDOPAN®

Prints for packaging
